• Creating Account on Wikipedia

Step 1: To create your account click on create account.

The screenshot shows the Wikipedia homepage in a web browser. The address bar displays 'en.wikipedia.org/wiki/Wikipedia'. The page features the Wikipedia logo on the left, a search bar at the top right, and a navigation menu on the left side. A black arrow points to the 'Create account' link in the top right corner, which is located next to 'Not logged in', 'Talk', 'Contributions', and 'Log in'. The main content area displays the title 'Wikipedia' and a brief description of the project. The right sidebar contains a 'Screenshot' section with a table of site information.

Step 4: Enter same text which is seen in the table

The screenshot shows the Wikipedia account creation page. On the left is a sidebar with links like 'Random article', 'About Wikipedia', 'Contact us', 'Donate', 'Contribute', 'Help', 'Learn to edit', 'Community portal', 'Recent changes', 'Upload file', 'Tools', 'Upload file', 'Special pages', 'Printable version', and 'Languages'. The main content area has a 'Username' field with a '(help me choose)' link, a 'Password' field, a 'Confirm password' field, and an 'Email address (optional)' field. To the right of these fields is a statistics section titled 'Wikipedia is made by people like you.' with three rows: '1,002,153,299 edits' (with a pencil icon), '6,249,600 articles' (with a document icon), and '148,564 recent contributors' (with a group of people icon). Below the statistics is a CAPTCHA security check. It shows a distorted image of the text 'mendspedro' and a 'Refresh' link. Below the image is a text input field with the placeholder 'Enter the text you see on the image' and a link 'Can't see the image? Request an account'. A black arrow points from the text 'mendspedro' in the CAPTCHA image to the text input field. At the bottom is a blue 'Create your account' button.

Step 5: click on Create account to create the account.

This screenshot is identical to the one above, showing the Wikipedia account creation page. The CAPTCHA security check section shows the distorted text 'mendspedro' and a 'Refresh' link. Below the image is a text input field with the placeholder 'Enter the text you see on the image' and a link 'Can't see the image? Request an account'. A black arrow points from the text 'mendspedro' in the CAPTCHA image to the text input field. At the bottom is a blue 'Create your account' button.

Editing Talk:Wikipedia (new section)

About edit requests

What an edit request IS NOT for:

- ✗ making test edits: use the [sandbox](#)
- ✗ asking for help: go to the [Help Desk](#)
- ✗ making a comment or starting a discussion: go to the [talk page](#)
- ✗ requesting unprotection: go to [RFPP](#)

What an edit request IS for:

- ✓ requesting straight-forward changes like grammar, spelling, formatting
- ✓ requesting more substantive changes, if they are justified with reference to [reliable sources](#), and not the subject of ongoing discussion

When submitting your request

1. Please provide a specific description of the edit request
2. Please don't copy the entire article into the request. Only copy the part you're changing.
3. Please [provide reliable sources](#) to support your edit, if appropriate.

If you have a user account, [log in](#) first. If you do not yet have an account, you may [create one](#) (this is free and requires no personal information); after a while and some edits, you will be able to edit semi-protected pages. You might also be interested in the [Wikipedia:Tutorial](#).

This is a **talk page**. Please respect the [talk page guidelines](#), and remember to [sign your posts](#) by typing four tildes: ~~~~.

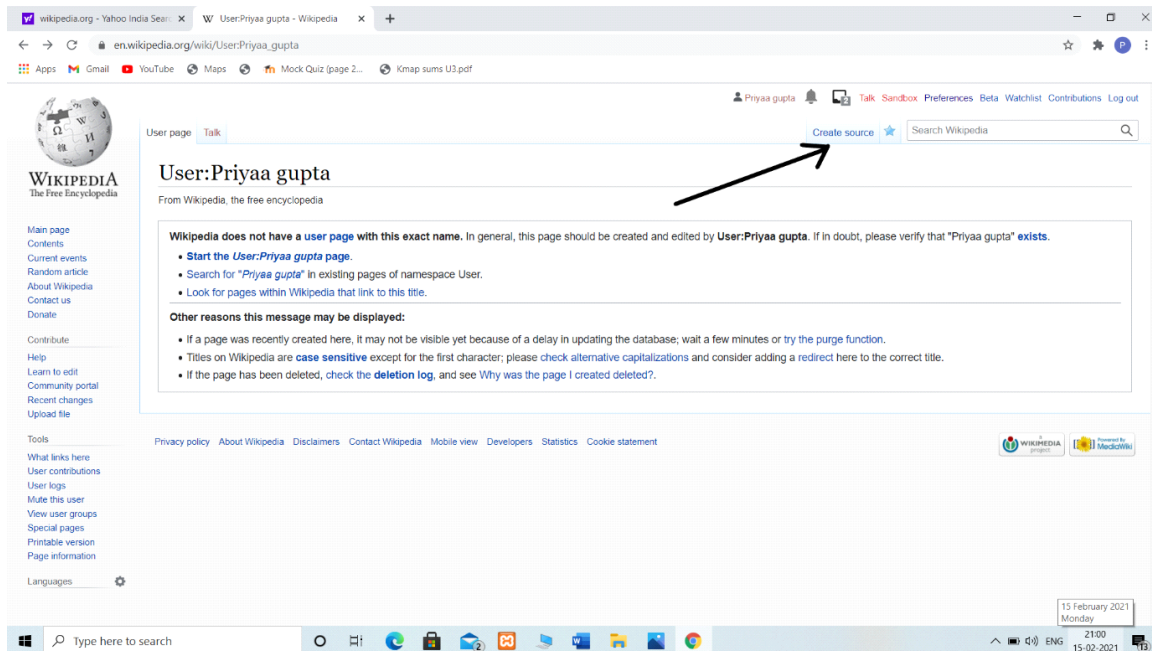

This is not the page to ask questions about Wikipedia or to contribute new articles.

This page is for discussion of the *article* about Wikipedia, not for discussion of Wikipedia itself.
